Greetings!

It's hard to believe that half of the year has already passed us by! It was great seeing so many familiar faces once again at our Lodge. Members were recently informed regarding a member that was exposed to Covid, so the decision was made to close the lodge temporarily over the holiday weekend. By doing so we could clean, sanitize and make it safe once again for all of our members. Please note the ADA prohibits disclosure of the identity of a person who has been diagnosed or exposed. If you have any questions or concerns that you may have been exposed, please contact me. Now more than ever it so important that we all practice social distancing guidelines. Please remember you must be seated and no standing at or around the bar is allowed. We need to make it safe for **all** members, so we are following State Guidelines and doing it the correct way!!

I was deeply saddened in postponing Flag Day. At this time, we are planning to reschedule it on Veterans Day so hopefully everyone will be able to attend. In case you didn't already know in 1907 the Benevolent and Protective Order of Elks Grand Lodge designated by resolution June 14th as Flag Day. The Grand Lodge of the Order adopted mandatory observance of the occasion by every Lodge in 1911, and that requirement continues to this day.

Unfortunately, there will be no Raspberry Festival this year. When life gives us lemons or should I say raspberries, we make lemonade! It gives us reason to come up with new ideas, new events, new ways to make up for what we missed out on. I don't think it's about the event it's about who we spend the time with! My head has been spinning to come up with fun things to do. I am always looking for ideas so feel free to contact me

(Continued on page 2)

and see if we can make it happen.

Even though the Elks State Convention was cancelled, I attended the business meeting in Alexandria last weekend along with several other members from our Lodge. Members from other lodges throughout the state were there both physically and via zoom. We were able to approve the state budget, install the new state officers and for a brief moment remember all the reasons why I love the Elks. It is amazing what Elks can do to make things happen even in these tough times. Congratulations to Lyle Nygren our new State President from Duluth Lodge. At this time the Mid Year Convention is still being planned by our Metro District at Breezy Point / Youth Camp in October. If you haven't booked your hotel room yet I highly recommend you do. All rooms are just \$99 so the sooner you book it the better choices you will have!

Hope you have a wonderful holiday weekend! Happy 4th of July!

Stay safe and healthy!
